

**Product:** KP-P 50

**Product code:** 88700350

Cable tray cover

|                                    |                                                                              |
|------------------------------------|------------------------------------------------------------------------------|
| <b>Standard:</b>                   | EN 61537:2007 Cable management - Cable tray systems and cable ladder systems |
| <b>Dimensions:</b>                 | Length: 2000 mm                                                              |
|                                    | Width: 50 mm                                                                 |
|                                    | Height: 33 mm                                                                |
|                                    | Metal thickness: 0,60 mm                                                     |
| <b>Weight:</b>                     | 1,22 kg                                                                      |
| <b>Material:</b>                   | Powder coated galvanised steel in the colours according to the RAL scale     |
| <b>Contribution to fire:</b>       | Non-flame propagating system                                                 |
| <b>Electrical characteristics:</b> | Electrically conductive system                                               |
| <b>Electrical continuity:</b>      | Yes                                                                          |
| <b>Corrosion resistance:</b>       | Class 3                                                                      |
| <b>Perforation:</b>                | Class B                                                                      |
| <b>Temperature:</b>                | Min: -20°C; Max: +105°C                                                      |
